In that we are traveling to a foreign country whose culture, customs, habits and lifestyle may be different than those of the U.S., we wish to advise you that we cannot guarantee the availability of non-smoking rooms, wheelchair/handicap access, quality of service or noise restrictions. Music from nightclubs, other guests of the hotel and/or animals in their natural habitat, may produce noise at earlier or later hours than might be expected by us in the U.S., who may anticipate curfews and other regulations set by the hotels.

If Festival Travel/OCBA is made aware, prior to departure, of any fact or event that might affect the quiet enjoyment of your hotel accommodations, we will advise you in advance, so you may respond in the manner you see fit, up to and including cancellation of your reservation. Otherwise, please understand that once on site, Festival Travel/OCBA cannot compel the hotel to change their customs and habits to suit our group's specific wishes; nor can the hotel be held financially responsible for any inconvenience or discomfort caused as a result of local cultural norms. Those in the standard rooms may experience noise early in the morning from Roosters, there are many in that area and they do cry out in the early morning. Please be advised.
